Permission to Administer Medication form is for any active-ingredient items - yes, even for sunscreen, bug spray & diaper rash cream!

Sunscreen and other sun protection as needed (hats, etc.). *Children's House does not provide sunscreen as we need parental permission and your child's individual sunscreen brought from home to put on them. Please remember to apply one base coat prior to your child's arrival at camp*

Everyone needs an **extra change of clothes** including underwear. *Friends who are working on their potty skills should have more than one change of clothing*

If you are going to be joining us past 12:00pm, please bring a **LUNCH!** *Snacks are provided. Lunches are refrigerated and warmed up in the microwave if needed.*

Nap Mat: If you are in our Toddler or 3 & 4 year olds group, there will be a nap time. *If possible, our teachers request that this be a one-piece item. If you would like to purchase a nap mat for \$20, we have several available in the office.*

Non-potty-trained friends should bring a package of **diapers** labeled with their name and at least a 3-pack of **wipes**.
